

**Products Specially
Designed to Meet the
Needs of Beef and
Dairy Farming**

When you purchase barkman products, you benefit from more than 60 years of experience in producing innovative concrete products of the finest quality. We use only superior grade materials and apply the latest technologies (including computerized batching controls) in the manufacturing processes. We maintain our own testing labs to ensure that barkman products provide the ultimate in durability and endurance. At barkman your satisfaction is our number one concern. You have our word on it.
